

# Start.Off toploader

## A 15.4" top-loader in modern optics

The Start.Off is the perfect companion for any business appointment where you need everything close to hand.

This specially designed bag offers not only room for your notebook but also your mobile accessories: documents and mobile accessories can be placed in the interior compartment or in the workstation inside the front pocket. In the separately cushioned interior compartment your sub-notebook is perfectly protected from knocks and shocks.

The Start.Off offers other advantages with its flexible carrying possibilities: the retractable carrying handles, the cushioned shoulder strap and the trolley fastening strap present you with all the options you will ever need.
